Before move-in day

- ☐ Confirm the closing time or the lease start, and the hour you receive keys.
- ☐ Ask the building which hours a move is allowed, which door to use, and whether the elevator must be reserved.
- ☐ Ask where a truck may park, and for how long.
- ☐ Book the move inside that window. Crew hours are Sun-Fri, 7:00 AM - 7:00 PM; Sat, 9:00 AM - 5:00 PM.
- ☐ Start or transfer electric, water, and internet for the day you get keys.
- ☐ File a mail-forwarding change with USPS.
- ☐ Measure the tightest doorway and the stair turn if a sofa or a mattress is coming.
- ☐ Pack an open-first box: medication, chargers, toiletries, a change of clothes, basic tools, snacks, and paperwork.
- ☐ Label boxes with the destination room.
- ☐ Empty the refrigerator if it is moving, and defrost it the day before.
- ☐ Set aside jewelry, documents, and anything you will carry yourself.
- ☐ Photograph the empty home you are leaving, including walls and floors.

On move-in day

- ☐ Walk the new home before unloading and note marks that are already there.
- ☐ Confirm the elevator hold, the door, and the parking spot.
- ☐ Clear a path from that door to each room.
- ☐ Tell the crew which room gets the bed, the sofa, and the table.
- ☐ Keep children and pets in one closed room, or with someone away from the carry.
- ☐ Lay down floor protection if the building asked for it.
- ☐ Walk the old home last: closets, garage, attic, patio, and outdoor storage.

After the truck leaves

- ☐ Find the breaker panel, the water shutoff, and the smoke detectors.
- ☐ Change the locks when you own the home, or ask the landlord before you change them.
- ☐ Confirm trash, parking, and mailbox rules with the building office.
- ☐ Unpack the open-first box before you start the rest.
